Serial No.: 09/714,340

The chain of title for the subject application is from the inventors to Illinois Tool Works Inc., recorded at Reel 011309, Frame 0553 in the United States Patent and Trademark Office, on 14 February 2001.

The Petitioner, Illinois Tool Works Inc., hereby disclaims the terminal part of any patent granted on the above-identified application, which would extend beyond the expiration of U.S. Patent No. 6,122,893, and hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to U.S. Patent No. 6,122,893, this agreement to run with any patent granted on the above-identified application and to be binding upon the grantee, its successors or assigns.

In making the above disclaimer, the Petitioner does not disclaim the terminal part of any patent granted on the above-identified application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 to 156 and 173 of the prior patent, as presently shortened by any terminal disclaimer, in the event that it later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims cancelled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

Serial No.: 09/714,340

I, the undersigned, have reviewed all the documents in the chain of title of the above-identified application and to the best of my knowledge and belief, title is in the petitioner, Illinois Tool Works Inc.

The required fee for the Terminal Disclaimer is enclosed. If there is any deficiency or overage in the Fee required, please charge or credit Deposit Account No. 19-3550. A duplicate copy of this sheet is enclosed.

Respectfully submitted,
